**Commissioner for Patents**

Divisional application 11/649396 has been filed for examination and is currently under examination on the merits of the non-elected invention in this application. Since the instant reissue application (10/627552) contains only original unamended claims that have been deemed to be allowable except for the lack of error under 35 USC 251, further action in the instant application will be suspended, per MPEP 1450, to await allowance of the divisional application.

Accordingly, further action in this reissue application is suspended for a period of SIX (6) months from the mailing date of this letter. Upon expiration of the period for suspension, applicant should make an inquiry as to the status of the instant application
